

# WINNERS LANDAU NETWORK-CARIPLO FELLOWSHIPS

## RUSSIAN FEDERATION PARTICIPANTS 2010-2011

	NAME	HOME ISTITUTE	HOSTING ISTITUTE	POSITION	RESEARCH FIELD	RESEARCH DESCRIPTION	COLLABORATION and RECOMMENDATIONS
1	<b>BADALIAN Lucy</b>	New Economic Association, Russian Academy of Sciences  <b>Russia</b>	Departement of Political Economy and Quantitative Methods, Università di Pavia  <b>Pavia</b>  <u>Prof. Fumagalli</u>	Researcher and Advisor	Macroeconomics, Comparative Economics of development, Econometrics, Mathematical Methods and modeling in Social Sciences.	Interrelationship between finance, technologies and institutions.  (Research carried out with Professor Krivorotov)	Letter of Acceptance: <ul style="list-style-type: none"> <li>• Prof. Fumagalli</li> </ul> Letter of support: <ul style="list-style-type: none"> <li>• Prof. Glazyev</li> <li>• Prof. Fernandez-Armesto</li> <li>• Prof. Hosking</li> </ul>
2	<b>BESKIN Grigory  1948</b>	Special Astrophysical Observatory  <b>Karachaj-Circassia</b>  <b>Russia</b>	Istituto Nazionale di Astrofisica - Osservatorio astronomico di Brera (National Institute of Astrophysics)  <b>Milano</b>  <u>Dr. Covino</u>	Leading scientist, Head of Group	Relativistic Astrphysics, Problems of SETI, Energy's transformation near Relativistic Objects, Superfast photometry, Gravlensing, GRBS	Gamma-ray bursts science and astronomical instruments development (see project attached)	Letter of acceptance: <ul style="list-style-type: none"> <li>• Dr. Covino</li> </ul> Letter of Support: <ul style="list-style-type: none"> <li>• Prof. Castro-Tirado</li> <li>• Prof. Mankiewicz</li> <li>• Dr. Shearer</li> <li>• Dr. Dravins</li> <li>• Dr. Molinari</li> <li>• Dr. Balega</li> </ul>
3	<b>CHECHURIN Leonid  1968</b>	St. Petersburg State Polytechnical University,	Politecnico di Milano  <b>Milano</b>	Professor - Head of Department	Mathematical modelling, optimization, system/control	Product representation since the earliest stages of an innovation process,	Letter of Acceptance: <ul style="list-style-type: none"> <li>• Prof. Cascini</li> </ul>

		<b>St. Petersburg Russia</b>	<u>Prof. Cascini</u>		theory. Oscillation theory. Mathematical modelling of knowledge economy and innovations. Methodologies for systematic innovations.	to the integration with current Product Lifecycle Management (PLM) systems, as a reference model for a new generation of CAD tool. Integration of heuristic for inventive design into Computer-Aided systems supporting conceptual design.	
<b>4</b>	<b>DESJATOVA Maria 1968</b>	Moscow St. Tikhon Orthodox University (PSTGU),  <b>Moscow Russia</b>	Department of Modern Languages and Italian Language, Università Cattolica del Sacro Cuore – <b>Milano</b>  <u>Prof. Bonola</u>	Professor, head of department	Socio-comparative linguistics, Sociolinguistics and language usage problems, dialectology, Translation, Linguistic contacts and interferences between romance languages, L2 didactics.	Research on Italian and Dialects	Letter of acceptance: <ul style="list-style-type: none"> <li>• Prof. Bonola</li> </ul> Letter of support: <ul style="list-style-type: none"> <li>• Dr. Dell'Asta</li> <li>• Prof. Barbieri</li> <li>• Prof. Frasso</li> </ul>

5	<b>ERMILOV</b> <b>Pavel</b>  <b>1981</b>	St. Tikhon's Orthodox University   <b>Moscow,</b> <b>Russia</b>	Department of Slavistic studies, Accademia Ambrosiana – Biblioteca Ambrosiana,  <b>Milano</b>  <u>Dr. Braschi</u>	Lecturer and Vice- dean	Byzantine literature and its manuscript tradition	Byzantine canonical collections, Byzantine Synods and study of important manuscripts at Biblioteca ambrosiana	Letter of acceptance: <ul style="list-style-type: none"> <li>• Dr. Francesco Braschi</li> </ul> Letter of support: <ul style="list-style-type: none"> <li>• Dr. Dell'Asta</li> <li>• Dr. Moreschini</li> <li>• Dr. Rigo</li> </ul>
6	<b>GLOZMAN</b> <b>Janna</b>  <b>1940</b>	Moscow University  <b>Moscow</b> <b>Russia</b>	Università degli Studi di Milano – Bicocca  <b>Milano</b>  <u>Prof. Papagno</u>	Leading Research and Professor	Neuropsychology and neurolinguist, Specialist in neuropsychologic al assessment and rehabilitation. Professor of neuropsychology, neurogeriatrics, developmental neuropsychology, communication problems.	Neuropsychology and neurolinguistic	Letter of Acceptance from the University  Letter of Support: - Prof. Vallar - Prof. Mecacci

7	<b>KAMENSKIKH Irina</b>  <b>1954</b>	Physics Department , M.V. Lomonosov Moscow State University  <b>Moscow, Russia</b>	Department of Material Science, University of Milano Bicocca  <b>Milano</b>  <u>Prof. Vedda</u>	Associate Professor	Interaction of radiation with solids, Physics of secondary processes with the emphasis on the fluorescence of wide bandgap insulated crystals including nanostructured materials.	“Oxide nanostructures and silica-based materials for optical technology”	Letter of Acceptance: <ul style="list-style-type: none"> <li>• Prof.ssa Vedda</li> </ul> Letters of Support: <ul style="list-style-type: none"> <li>• Prof. Pedrini</li> <li>• Prof. Lecoq</li> <li>• Prof. Petermann</li> </ul>
8	<b>KHLOPKOV Anton</b>  <b>1978</b>	CENESS - Center for Energy and Security Studies  <b>Moscow, Russia</b>	Università degli Studi dell’Insubria,  <b>Como</b>  <u>Prof. Martellini</u>	Director of CENESS	Regional aspects of nuclear nonproliferation and peaceful nuclear energy uses	Reset the Scientific and Technical cooperation between the EU and Russia	Letter of acceptance: <ul style="list-style-type: none"> <li>• Prof. Martellini</li> </ul>

11	<b>NIKITIN Sergey</b>	History department, Moscow State RUDN University  <b>Moscow,  Russia</b>	Department of architecture and planning- Politecnico di Milano  <b>Milano</b>  <u>Prof. De  Magistris</u>	Lecturer	Contemporary and actual researches about urban history , sociourbanistic laboratories about Moscow.	Evolution of the concept of the public building in Europe from the Middle Ages to present days	Letter of Acceptance: <ul style="list-style-type: none"> <li>• Prof. De Magistris</li> </ul>
12	<b>OREKHOV  Alexander</b>  <b>1949</b>	Institute for Atheroscleroti c Research, Institute of general Pathology and Pathophysiolo gy, Moscow State University  <b>Moscow,  Russia</b>	Department of pharmacologic al Sciences, Università di Milano  <b>Milano</b>  <u>Prof. Catapano</u>	Leading Scientist	Antiatheroscleroti c therapy, Atherosclerosis, Atherosclerosis imagine, Cyclic nucleotides, Enzymology, Genetic diagnostics, Inflammation, Innate immunity, Lipoproteins, Macrophages and dendritic cells, Proteomics, Molecular genetics	Medical Sciences and technologies	Letter of acceptance: <ul style="list-style-type: none"> <li>• Prof. Catapano</li> </ul> Letter of support: <ul style="list-style-type: none"> <li>• Prof. Kubatiev</li> <li>• Prof. Kukharchuk</li> </ul>

13	<b>PAPKOVA Olga</b>  <b>1968</b>	Department of civil procedure, Moscow State University  <b>Moscow, Russia</b>	Faculty of Law, Università dell'Insubria  <b>Como</b>  <u>Proff. Ghirga e Ferrari</u>	Associate Professor	Russian law, Civil procedural Law, comparative law		Letter of acceptance: <ul style="list-style-type: none"> <li>• Proff. Ghirga e Ferrari</li> </ul> Letter of Support: <ul style="list-style-type: none"> <li>• Prof. Stolker</li> <li>• Prof. Treushnikov</li> </ul>
14	<b>PORSHNEV Alexander</b>  <b>1976</b>	Social Science department, national research University - Higher School of Economics  <b>Moscow Russia</b>	Department of psychology, Università Cattolica del Sacro Cuore,  <b>Milano</b>  <u>Prof. Antonietti</u>	Associate Professor	New learning culture, intellectual entrepreneurship. Computer assisted learning, learning management systems, virtual learning environments. Activity theory, step-by-step formation theory. Self-determination theory. Behavioral finance, behavioral economics and economic psychology	Psychological aspects of computer-supported learning	Letter acceptance: <ul style="list-style-type: none"> <li>• Prof Antonietti</li> </ul> Letter of Support: <ul style="list-style-type: none"> <li>• Dr. Voiskounsky</li> </ul>

15	<b>ROUJINSKAYA Tatyana</b>  1957	MGIMO - Department of International Economic Relations and Foreign Trade  <b>Moscow, Russia</b>	Università Carlo Cattaneo, LIUC  <b>Castellanza</b>  <u>Prof. Helg</u>	Associate Professor	Economic Conjecture in International Economic Relations, World Commodity Markets, Mineral Resources and Fuel Markets, Price Formation in the world.	International economic relations, international and world market research and foreign trade	Letter of acceptance: • Prof. Helg
16	<b>SUVOROV Yury</b>  1978	Institute for Nuclear Research of Russian Academy of sciences,  <b>Moscow, Russia</b>	Department of Physics, Università degli Studi di Milano ,  <b>Milano</b>  <u>Prof. Bellini</u>	Doctor	Experimental methods in nuclear physics	Borexino - Flusso di neutrino solari da sorgenti mai studiate e analisi di antineutrino di provenienza terrestre	Letter of acceptance: • Prof. Bellini
17	<b>SYSOLIATIN Alexej</b>  1958	Fiber optics Research Center, Russian Academy of Sciences  <b>Moscow, Russia</b>	Department of Information Engineering, Università degli Studi di Brescia  <b>Brescia</b>  <u>Prof. Wabnitz</u>	Research fellow	Nonlinear wave propagation, optical soliton compression in dispersion decreasing fibers, stable continuum generation, parabolic pulse formation, design and technology of fibers with varying along	Non linear optical effects in fibers applied to optical solitons and pulse propagation phenomena and supercontinuum light generation.	Letter of acceptance: • Professor Wabnitz  Letter of support: • Professor Finot • Professor Turitsyn

					length waveguide parameters.		
18	<b>YAKOLEV Dmitry 1981</b>	Department of pharmacology Volgograd State Medical University,  <b>Volgograd, Russia</b>	Division of Neuroscience at San Raffaele  <b>Milano</b>  <u>Dr. Broccoli</u>	Senior Researcher	Pharmacology of serotonergic system, neuropsychopharmacological preclinical investigations	Engineering of dopaminergic and serotogenic neurons from stem cells.  “Generazione di neuroni serotonergici e dopaminergici da cellule staminali riprogrammate iPS”	Letter of Acceptance: <ul style="list-style-type: none"> <li>• Dr. Broccoli</li> </ul> Letter of Support: <ul style="list-style-type: none"> <li>• Dr. Spasov</li> <li>• Dr. Petrov</li> </ul>
